**Printed Polyester Name Tapes**

**Easy Iron on or Sew in**

**PVC Name Stickers &**

**SEW IN NAME TAPES**

**15mm x 95mm (or longer where required)**

These are a lovely soft lustrous white polyester satin fabric. Printed with a hi-tec process using black permanent resin ink, so are very durable and wash fast. These are made with exactly the same process as the care & content labels you find in garments, which are legally required to last the lifetime of the garment.

**IRON ON NAME TAPES**

**15mm x 40mm (or longer where required)**

These are the same basic material as the sew in labels, with a hot melt adhesive coating on the back. They are quickly and easily applied with a domestic iron. They are made from a woven fabric, so can also be sewn in where the fabric or garment doesn't suit iron on application. It couldn't be easier.

**PVC - EXTRA PERMANENT ADHESIVE NAME LABELS**

**Ideal for labelling all school equipment, shoes, lunch boxes drinks bottles, sports equipment etc. (15mm x 50mm)**

These are printed in black with a thermal transfer process which chemically bonds the special resin ink to the PVC label, resisting solvents, abrasion, water etc making these the ultimate in durable labels.
